Capital Area United Way

#1
FAN

The Capital Area United Way is an independent, non-profit entity designed to help our community meet its health and human care needs.

Through its community-wide fundraising efforts, the Capital Area United Way helps to support 35 programs and services offered through 17 local nonprofits and United Way Community Impact programs.

Through a strong volunteer system, United Way brings together business, government, and committed people to address local health and human service needs in Hughes and Stanley counties.
