

Your United Way Gift Supports Community Impact Programs

211 Helpline

A critical component of finding help is knowing where to begin. Everyone will have a question or need help navigating the vast amount of resources available in our community. From food insecurity to looking for parenting support or experiencing a suicidal crisis. The 211 Helpline is here 24/7 to help. Simply dial 2-1-1 or text your ZIP CODE to 898211 to be connected with a live specialist 24/7.

Girls on the Run / Heart & Sole

These two programs are dedicated to educating and preparing girls for a lifetime of self-respect and healthy living. Girls on the Run/Track inspires girls to be joyful, healthy and confident using fun, experience-based curriculum which creatively integrates running and other physical activities.

Imagination Library

Carefully selected books are mailed FREE to children age 0-5 in Hughes and Stanley counties. Reading is essential to academic success, and providing children with books helps better prepare children for school and also increases a child's access to books. Graciously funded by Connie and Gary Grittner.

Mobile Dental Unit

We support the Delta Dental mobile dental program to help provide needed dental care to underserved children and youth.

Project H.E.R.O.

Helping Educators Reach Others – Project H.E.R.O. provides milk tickets to students to help ensure that they are receiving well-balanced and nutritious meals throughout the day. This program also provides transportation tickets to students so they are able to get to school on time and ready to learn.

Say Yes to the Dance

Say yes to the dance is a Capital Area United Way Community Impact program, designed to make prom affordable and accessible for all high school students in Hughes and Stanley counties. The dresses, suits, and tuxedos will be given at one big event, which will take place before King of Hearts and Prom. There will be no charge, and all students are welcome.

Youth Booster Fund

YBF provides mini-grants to youth-serving organizations or to meet the unique needs of young people in our community.
